Dr. A.P.J. abdul kalam technical university, Lucknow India

Dec 2020 – July 2024

- **B. Tech in Computer Science and Engineering (CSE – 2024)**
- **Coursework:** Data Structures and Algorithms, Discrete Mathematics, Operating Systems, Computer Networks, Databases, Artificial Intelligence, Software Engineering, Scalability.

EXPERIENCE

Front End Developer Intern

Tech Matpatra

July 2024 – currently

- **Next.js Development:** Built responsive UIs by converting Figma designs into reusable Next components.
- **API Integration:** Seamlessly integrated RESTful APIs for enhanced functionality across two Next.js projects and one Angular project.
- **Component Optimization:** Utilized React hooks, state management, and lazy loading to optimize performance and user experience.

Web Developer Intern

Dabotics India

July 2023 – Sep 2023

- Daily responsibilities include design and developing user Interface as a full stack developer.
- **React.js & Git Collaboration:** Led front-end development for multiple projects using React.js, HTML, and CSS, leveraging Git for version control and team collaboration.
- **Responsive Web Design:** Developed mobile-first designs to enhance user experience across devices.
- **Agile Workflow:** Worked in sprints using Jira, effectively managing tasks and deliverables

SOFTWARE PROJECTS

Codial | FULL STACK

- **Social Media Platform:** Developed a React-based social networking platform featuring OAuth login, real-time chat, and a responsive user interface.
- **Interactive Features:** Implemented features like posting, commenting, and friend-adding to foster user engagement and social interaction.

Busy Buy | FRONT END

- **E-commerce Platform:** Developed a full-stack e-commerce application with dynamic routing, authentication, and Firestore integration using React.js and Firebase.
- **CRUD Operations:** Built robust CRUD functionality to handle user data, products, and orders, achieving a high score of 490/500 from Coding Ninjas

TECHNICAL SKILLS

Front-End: React.js, Next.js, Angular, Bootstrap, Tailwind, SCSS

Back-End: Node.js, Express.js, MongoDB, Firebase

Cloud & DevOps: AWS

Version Control: Git, GitHub, GitLab

Languages: C, C++, Python, JavaScript, jQuery

Project Management Tools: Jira

Design Tools: Figma, Adobe Photoshop, Canva
